

The Fifth National Climate Assessment

Oceans Chapter

Public Engagement Workshop

Agenda | January 25, 2022 | 1:00 PM - 4:00 PM ET

The links to the workshop will be emailed to those who have registered to attend.

Workshop Objectives

1. Provide an overview of the U.S. Global Change Research Program (USGCRP) and the National Climate Assessment (NCA) development process, including other opportunities for public engagement
2. Allow members of the public and assessment authors an opportunity to discuss proposed key topics, identify priority issues relevant to the chapter, and share resources
3. Give NCA chapter authors an understanding of how workshop participants use assessments, and what could be done to make the NCA more useful for decision-making
